Lets Promote our Market

Rapid Creek Market is Darwin's Oldest Market.

Let's work together to make it the greatest.

Colour posters promoting the market are being printed and distributed throughout the city and surrounding area's. If you would like to assist with distribution please contact the Market coordinator as all assistance is greatly appreciated.

Big plans are in the works to celebrate the latest developments which have been underway within the centre. The celebration will include extensive ad-

vertising and promotions on the day.

Stall holder cooperation is essential to the success of the Markets. Your profits rely on our success, lets work together.

More information will be forthcoming closer to the date.

Construction

Shade is to be erected in the central car park. Works begin in 2-3 wks to be completed by approx. 1 month from start. Minimum disruption to the market expected. Work in the front car park schedule as yet unknown will update when able.

Free Offer

Rapid Creek Market has available for its use the Rapid Creek Business Village Online Community Notice Board. If any stall holders have special prices or promotions while at the Market, Contact the Coordinator to advertise in either the Community Notice Board or Newsletter, submissions are to be in writing and signed.
